**Dear Potential Sponsor,**

Wright City Jr Wildcats Wrestling Club is excited to kick off our fourth season as an organization this year! We are excited to serve the youth of Wright City and the surrounding areas to teach them not only wrestling but also instill life lessons for them to learn as they progress.

Every year, we will invite local businesses and organizations to sponsor the Wright City Jr Wildcats. After thinking of businesses and organizations in the community that we want to be affiliated with, we naturally thought of you.

Sponsoring the Jr Wildcats is not only a great way to get involved with the community; it is also an amazing form of marketing for your business. Our organization is on target for more than 40 youth participants this year, and we will compete at events over 15 weekends (sometimes 2 events in the same weekend) sponsored by organizations in the Greater St Louis area and through the state of Missouri this year. That means you will have branding in front of thousands of people and generate many impressions in the St Louis region as well as statewide. With this type of exposure your business will be remembered for the support you gave.

Unfortunately, wrestling can be expensive and not all the families with the Wright City Jr Wildcats can afford the cost. Every year we ask for sponsorship to help subsidize the cost of needed items to include, scholarships for athletes who otherwise could not afford to participate, reconditioning of equipment, and tournament registration fees.

As the club continues to grow and with our move out of the high school due to changing logistics, we will need some extra funds in the coming year. The club is targeting buying a full-size competition and practice mat and some much-needed supplementary exercise equipment. We estimate we will need to raise \$15,000 so that we can acquire these items and offer the safest and best developmental environment for the youth wrestlers in this area.

The club is launching several additional fundraising ventures this year to work towards that \$15,000 goal and will need community support in those events as well as receiving donations from our past loyal sponsors as well as new sponsors.
